

Panhandle Bandshell Letter of Support

PLEASE FEEL FREE TO CUSTOMIZE THIS LETTER!

Needed by Wednesday, April 18

Recreation and Park Commission
McLaren Lodge & Annex
501 Stanyan Street
San Francisco , CA 94117

Dear Commissioners:

I am writing to inform you of my support, as a neighbor, for the Panhandle Bandshell project - the temporary, community-building public art installation currently under permit consideration for installation in the Panhandle Park during summer 2007.

I join the Black Rock Arts Foundation, the San Francisco Department of the Environment, the Neighborhood Parks Council, the North of the Panhandle Neighborhood Association and Mayor Gavin Newsom's office in supporting this innovative project and its important civic goals:

- demonstrate through creative reuse of materials that a beautiful structure can be built from material that would otherwise have been thrown away, raising collective awareness of our impact on the environment.
- provide a place for neighbors to come out of their homes and gather in ways that supports the local community and community-building.
- provide an accessible venue for the many talented performers who live and work in the area.
- provide a neighborhood place for play and creative expression.

I urge you, on Thursday, April 19, to vote in support of this great community project.

Sincerely,

Your Name
